Authorization, Cancellation, and Membership Terms

Credit Card Authorization

By signing below, I authorize Quail Ridge Golf Club, and its payment processor or servicing agent, to charge the credit card listed on this form for the monthly subscription amount selected above, plus the one-time \$20.00 setup and range card fee, and any other charges I separately authorize in writing. I certify that I am an authorized user of the card provided and that the information on this form is true and complete.

Recurring Billing

Recurring monthly charges will continue automatically until this subscription is canceled in accordance with the cancellation policy below. If a scheduled payment date falls on a weekend or holiday, the charge may be processed on the next business day. I understand that the exact posting date to my credit card account may vary based on my card issuer and payment processor timing.

Declined / Failed Payments

If a credit card charge is declined, returned, disputed, expired, or otherwise unpaid, Quail Ridge Golf Club may suspend range privileges and deactivate my range card until the account is brought current. I understand that Quail Ridge Golf Club may reattempt the charge as permitted by applicable law and card network rules and may require an updated payment method before reactivation.

Minimum Commitment

I understand that this subscription requires a minimum initial commitment of two (2) consecutive monthly billing cycles. Cancellation during the initial commitment period does not relieve me of payment responsibility for that minimum term.

Cancellation Policy

After the initial 2-month commitment, this subscription will continue on a month-to-month basis unless and until I cancel in writing. To avoid the next monthly draft, written notice of cancellation must be received by Quail Ridge Golf Club at least 15 days before the next scheduled billing date. Any notice received after that deadline may take effect for the following billing cycle.

No Refund / No Rollover

Monthly subscription charges, the setup fee, and the range card fee are non-refundable once billed, except where required by law. Daily ball access is use-it-or-lose-it and does not roll over from day to day, week to week, or month to month.

Use Restrictions

Subscriptions are for individual use only, are non-transferable, and may not be shared. Bronze subscriptions are limited to Monday through Thursday and are not valid from 4:30 PM to 6:30 PM. All subscriptions remain subject to range hours, weather, maintenance, special events, league activity, safety considerations, and operational limitations determined by Quail Ridge Golf Club.

Program Changes

Quail Ridge Golf Club reserves the right to update range rules, operating procedures, technology requirements, payment processor, and membership administration procedures upon reasonable notice. Quail Ridge Golf Club also reserves the right to suspend or terminate privileges for misuse, fraud, abusive conduct, policy violations, or failed payment activity.
